La Quinta Resident,

Your La Quinta Board made the decision to hire a new Landscaping company on the recommendation of the Landscape Committee. JSA Company is taking over as of July 18<sup>th</sup>, 2016. Phill James, our contact has already met with your Landscape coordinator and discussed what needs done ASAP.

Jim Hall is still going to be your contact ([jimfhall1@gmail.com](mailto:jimfhall1@gmail.com) or 928-581-0927) and you are to also copy all emails to Phill James at [jsaphill@gmail.com](mailto:jsaphill@gmail.com).

The Board would like you to hold off on emails for a couple of weeks until Jim & Phill have a chance to address current issues Jim is already aware of, except if it's a water emergency.

Thank You for your patience during this time.
