Re: **LA Quinta HOA Pool and Spa Rules**

Attached are the La Quinta HOA Pool and Spa Rules for your review. The La Quinta pool and spa may only be used by residents and their guests. Residents must be present when guests are using the pool or spa.

The pool and spa area is monitored by cameras for the security and safety of all residents and guests.

Please close the gate/s securely when you enter and leave the pool and spa area to ensure that unauthorized individuals are not able access the area for the safety and security of all residents and guests.

If the trash can in the pool and spa area is full, do not leave trash on the ground beside the container or cause it to overflow. All trash in excess of the trash container capacity should be taken out by the resident and not left in the pool and spa area.

The La Quinta pool and spa is for the benefit and enjoyment of the residents and their guests. Please adhere to the attached rules to keep the pool and spa area safe and clean for everyone.

Thank you for your attention to this matter. If you have any questions, please contact Jacque Hann.
